

# Food Webs - Worksheet 1

## Food chains and you

Can you make a food chain with yourself at the top?

↑  
ENERGY

Draw a picture of yourself here.... You are at the top of the food chain!

↑  
ENERGY

Draw a picture of a fish that you have eaten... maybe cod or tuna?

↑  
ENERGY

What would that fish have eaten? Draw a picture of its prey.

↑

Draw a picture of a plant at the bottom of a marine food chain.

Can you give the correct name to each step? Producer Consumer Omnivore  
Carnivore Herbivore

Now try to draw a simple food web including yourself!
