

### Habitats and adaptation Resources – Habitats and adaptation Activity Sheet

Choose one of the habitats found in an offshore windfarm (eg. open water or seabed) and describe three features of that habitat.

Habitat \_\_\_\_\_

Features:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Now pick two animals that live in this habitat, and describe two adaptations which help them to live there.

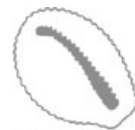

Animal 1: \_\_\_\_\_

- \_\_\_\_\_
- \_\_\_\_\_

Animal 2: \_\_\_\_\_

- \_\_\_\_\_
- \_\_\_\_\_

Draw a picture of these animals, and label the adaptations that you described.

Animal 1

Animal 2
